**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The regulations are working to bring me high speed internet at price i can afford. Dont change what not broken.

Broadband allows me to keep a job at global company and be part of competitive marketplace.

Broadband brings our children the learning materials they need.

Dont risk these to profit few who invested in companies that have been required to provide their access.
